

School supplies

Grade 1

2026-2027

We are pleased to inform you that most school supplies will be bought by the school this year. To simplify the process for families, the total cost for the agenda and supplies is \$60.00. We strongly encourage families to make payments through School Cash Online for convenience and security.

These are the supplies that your child will have to bring on the first day of school.

- gym shoes (non-marking soles and Velcro if your child cannot tie shoes)
- lunch box
- book/school bag
- 2 boxes of tissues
